Description

1972 S&S 34 Western Morning for sale. Offers invited!

Western Morning is a rare find as the only S&S 34 launched in Australia with the English raised coach house version and is the number 1 hull for all Australian built S & S 34s.

Well known for their blue water capabilities and a favourite amongst those setting off around the world to break records.

This particular boat has a rich race heritage and was once active in club and offshore racing at the Royal Yacht Club of Victoria representing the RYCV in numerous successful Association Cup teams and inter-club competitions. As such she comes with a huge sail wardrobe, some in very good condition.

Currently she is only used for weekend cruising but with a little work could certainly be brought back to stunning condition.

Features
