Description

Australian built and ready for its very first owner, this 2014 Spirited 380 for sale is definitely at the top end of the market and a cut above the other luxury cruising catamarans.

The professional design and build offers more than commendable features making it apparent that plenty of meticulous thinking has gone into the Spirited 380 catamaran project.

You can feel the generous flow of the design everywhere as well as the strength and integrity in premium construction. The larger radius makes it feel much bigger and comfortable than your typical 38 footer.

All fittings are secured into cored material for an incredibly water tight boat. The new owner will appreciate the longevity this offers. A great boat for the high seas and a true bluewater cruiser.

Luxury features include...

Custom flush compartment for bottom transom step ladder

Deck diversion drains preventing water from entering cockpit

Self draining mast surround

Custom built helms

Custom shaped and sized stair treads throughout for surer, easier movement

30 Individual circuit switches for future facility and ease of isolation, professionally wired.

All hatches, external cupboards, lockers custom moulded to be self draining.

All drains and seacocks easily accessible for inspection.

Both heads feature big bowl porcelain. Increased bench space.

Double fuel and water capacity with 2 water tanks (175L each) and 2 fuel tanks (175L each). 22L stainless hot water tank.

Main walk in wardrobe, more accommodating shelves.

Check out the excellent review it got from Multihull World magazine in the pdf document below...
