Description

2002 Swanson 40 Deck Saloon, an absolutely exceptional yacht, is now for sale.

Built to Survey, the raised deck saloon wrap around window style is ideal for short handed cruising in ease, comfort and safety.

Ron Swanson was famed for his cruising yacht designs and the Swanson 40 is regarded as the pinnacle of his design heritage.

If you have been looking at an Island Packet or a Zeston this boat compares well.

The inventory is absolutely complete and of the highest specification and includes all offshore needs, radar, genset, bowthruster, air conditioning, life raft plus more.

The light airy well ventilated interior features a superb shipwright fitout in celery top pine.

The masthead cutter rig includes two Profurl furlers and the 2008 mainsail has batcars for ease of handling.

The boat has been continually upgraded and maintained .She is kept on a marina to ensure close detailed attention to her condition.

Suits an owner who appreciates the difference between a serious high quality build and design compared to many of todays inferior mass production builds.

Only a fully detailed inventory can start to tell the full story.

This high quality yacht would cost \$600,000 to build today. In the owners words... there are many more items of detail that could be listed, but a journey through the boat is more appropriate for those who will appreciate.

Features

Designer	Ron Swanson
Water (Potable) Capacity (l)	360
Hull Construction Material	GRP
Hull Type	mono
Deck Construction Material	GRP/ core
