Description

1999 Taswell 44 Centre Cockpit now for sale.

Taswell is renowned for high quality design, build and fitout. Flying Cloud is a 1999 version centre cockpit cutter rigged cruiser.

Designed for safe and comfortable short-handed distance cruising. This super stiff and well constructed integrated design features a full keel. This and her extremely stiff construction improves her directional stability ensuring she delivers outstanding easy performance with strong daily runs. Flying Cloud covered the leg from Galapagos to Marquesas 3040 NM in a very impressive 18 days. In perspective the average production multihull and monohull of similar size take 21 days for the same leg.

She features a spacious aft owner stateroom with forward double guest berth. The perfect layout.

She has a U shaped galley which is set up for cooking in safety in all conditions. A 3 burner stove and oven, microwave and generous fridge, freezers complete this package.

The main saloon has a wonderful airy feel with ample light and vision through generous ports and windows. A low power draw air-conditioning system is integrated for comfort.

The timber work is first class throughout with interior construction adding to the already substantial strength and rigidity of the build.

One of her owners pet rigs is to pole out the genoa one side and the gennaker on the other attached to the end of the boom with no main. When sailing she is rigged for easy short handing in all conditions with the bonus of cutter rig. Her autopilot is commercial grade so easily keeps her on a comfortable track.

The batt slides on the mainsail and generous boombag and lazyjacks ensure easy raising, reefing and lowering of sails.

Mast/ Rigging - Main (aluminium) Lightning dispersal brush and tricolour navigation light at masthead. Mainmast safety bars and lower steps. Forespar rigid boom vang. Firdell Blipper radar reflector. Storm trysail track on main mast. Two mechanical backstay tensioners. Two running backstays. S/steel antenna and radar mast.

The electronic package is comprehensive -

The navigation station has a Weems & Plath electronic barometer, Raymarine TriData, Northstar 941X GPS, Raymarine SL70 color chart plotter (at helm), a Raymarine RL70 radar, Mastervolt MICC electrical system readout, Blue Sky solar panel readout, an Aleutia Fanless Marine PC M1-160GB with 160GB memory and Intel 320SSD solid state drives and a 19 inch flat screen color monitor running MaxSea Navigation System with the weather routing module.

The monitor can be rotated so it can be read from the cockpit. Communications equipment includes a Standard Horizon GX2150 VHF with AIS output to the computer and VHF radio, an ICOM 802 SSB/Ham radio with Pactor PCT-IIUSB, a voltmeter for the 12v starter battery, and sub switch panels for the 12v systems.

In addition, an ICOM IC-M72 VHF handheld and an Iridium Extreme 9575 satphone with internal GPS linked to a

Redpoint Optimizer for Bluetooth connectivity for iPhone/iPad/Computers.

Power is backed up by a well set up array of solar panels.

The list goes on. We have here the real deal, ready to go package, perfect for owners who appreciate quality and safe performance.

Features

Designer	Bill Dixon
Builder	Ta Shing - Taiwan
Water (Potable) Capacity (l)	535
Hull Construction Material	Fibreglass
Hull Type	mono with semi-full keel.
Deck Construction Material	Fibregalss
Country Origin	Taiwan
Length (feet)	44
Length (m)	13.4
Beam/Width (feet)	13.8
Beam/Width (m)	4.2
Draft (feet)	6.1
Keel/Ballast	Internal lead/ 4354kg.
Dry Weight (kgs)	19000
Number of Helms	1
Number Of Engines	1
Engine Standard	Yanmar 4JH2-TE
Engine Hours	4497
Horse Power (hp)	62
Drive Type	Shaft
Engine Room	1 x Yanmar 4JH2-TE 75hp turbo-charged diesel 62hp. Batteries - 24v House bank - 4 x 6 volt Lifeline AGM GPL-L16T 400 amp/hrs. 1 x 12v House - Lifeline AGM GPL24T 80amp/hr. 1 x 12v Starter - Lifeline AGM GPL-27T 80 amp/hr.
Number of Batteries	6. Batteries: 24v bank: 550 amp hours (1100 amps at 12v), 12v bank: 55 amps, 12v Starter: 105 amps. 4 x 6 volt Lifeline AGM 550 amp/hrs. 1 x 12v
