Description

Misty Mornwas launched in 1983 and is one of the nicest Traditional 30's that we have seen.

Exclusively for sale with DBY Boat Sales, she comes with a mint condition 2006 model Kubota 21hp and only 650 hours on the meter. The engine has had a recent service in late 2020.

The cockpit on a Traditional 30 is large and this one feels even bigger due to her tiller steering. She also has an auto tiller, 2018 genoa and 2015 main sails plus numerous spares in her wardrobe.

The accommodation can sleep 6 and the settee is amongst the biggest you will get on a 30 footer.

The galley is U shaped and very functional with a gas certificate for the Roden cooktop and oven.

There is a large sun awning that goes over the boom plus a bimini in a storage sock and zip.

A deep swim ladder on the transom makes for easy water access.

If you've been looking for a Traditional 30, it will be hard to find better than this one.

Features

Designer	Peter Cole
Builder	Terry Hills
Water (Potable) Capacity (l)	140
