**Description**

A rare find. One Owner 1977 Triton 24 now for sale.

The Triton 24 has been a popular choice for many years for the young family venturing into cruising yachts with her safe and predicable handling, easily handled masthead sloop rig and short keel with a balanced spade rudder has proven herself to be the ideal cruiser/racer.

A generous beam provides lots of space above and below deck for a 24' yacht ensuring good stability at rest.

This particular boat has been well maintained by the one owner since new. Original Triton 24 brochure still available.

Re rigged in 2016, and with a new Yanmar diesel engine in 2009, she is ready to move on with a 2nd owner for more adventures.
