1980 Walker H28 now for sale with DBY Boat Sales.

Walker H28, Herreschoff designed sloop built in 1980 with a re powered 2005 Volvo Penta D1-13B shaft driven engine showing under 600 hours on the meter.

The standing rigging was totally replaced and mast/boom were repainted in 2012 by Ruel Rigging.

The main is 4 years old and the Genoa on a furler is possibly the original. She also has a hank on Yankee sail that slides onto an inner removable forestay.

New batteries for engine start and for the house.

Raymarine Auto tiller.

The yacht will clean up a treat inside and needs some painting to improve the cockpit area which is quite worn but does have new cockpit cushions.

An amazing sea boat with almost 50/50 ballast ratio.

Features

Designer	Herreschoff
Builder	Walker
Water (Potable) Capacity (l)	150
Hull Construction Material	GRP
Hull Type	Mono
Deck Construction Material	GRP
