## Description

Wauquiez Pretorien 35, launched in 1985 and is now exclusively for sale with DBY Boat Sales.

Upgrades such as the 2021 model Volvo with low hours and 2021 standing rigging, make this one stand out from any others. She is truly ready to go having just arrived from a three year trip through the Caribbean and across the South Pacific. Alchemy has been well loved and cared for by its owners.

The Wauquiez Pretorien 35 is a highly regarded cruising sailboat, known for its superior design, robust build quality, excellent sailing performance, and strong emphasis on safety. Crafted by the esteemed French boatbuilder Henri Wauquiez, the Pretorien 35 features a sleek, elegant design combined with a solid, hand-laid fiberglass hull, ensuring durability and longevity. The sailboats layout is practical and well-thought-out, with ample storage and comfortable living spaces, making it ideal for long voyages and liveaboards.

The saloon area features a U-shaped settee to starboard and an inline settee to port, both of which can be used for seating and additional berths. The dining table is centrally located and has the ability to lower and create the amidships queen sized bed when required.

A galley is on the starboard side and is compact yet functional, featuring a double sink, stove with oven, ample counter space, and storage for cooking essentials. Up front is a decent V berth with storage lockers and a cosy but roomy feeling. Theaft Cabin is to port of the companionway, this cabin features a double berth and storage lockers.

The Wauquiez company is known for producing some of the strongest and most capable offshore yachts ever built. The Pretoriens were built for ocean sailing with six internal stringers running from bow to stern for increased structural strength. The renowned sailing author, Hal Roth, and his wife Margret chose the 35 Wauquiez Pretorien as their boat of choice for their continued ocean voyages.

Pretoriens have proven themselves on the oceans of the world.

### FEATURES

- Volvo Penta D1-30 28hp Diesel Inboard Motor (2021)
- Standing Rigging (2021)
- Viking "RescYou Pro" USCG Certified Life Raft with Hydrostatic Release Unit (2021)

## Electronics Navigation

Silentwind Wind Generator.  
Silentwind Hybrid 600 40 Amp/600W Charge Controller.  
Solar Power Wiring (2021).  
Renogy 2000W Sine Wave Inverter.  
Xantrex Link 10 Battery Monitor.  
True-Charge 20A AC Battery Charger (AC to DC Converter for Shore Power).  
30 Amp Shore Power Cord (USA).  
500W Transformer for Australian shore power.  
Simrad NSS7 Chartplotter,  
Simrad AC12 Autopilot with Octopus, Linear Drive (Hydraulic Pump to Control Rudder),  
Simard Autopilot Controller,  
Simrad BR24 Radar,  
NMEA 2000 Interfacing Network,  
Lowrance LVR800 VHF transceiver,  
Simrad IS20 Graphic Instrument Display,  
Maretron DST800 Depth, Speed, & Water Temperature Transducer,  
Navman Depth Instrument Display (Backup).  
Maretron WS Ultrasonic Wind Instrument with Barometric Pressure.

## Dinghy

Takacat 2021 with Yamaha 6hp outboard

## Safety Gear

Viking RescYou Pro USCG Certified Life Raft (2021) with Hydrostatic Release Unit (2021) in Deck Cradle.  
Ditch Bag: Water, Fishing Gear, Smoke Canister, Fluorescent Dye, Flares, Signal Mirror (2021).  
Plastimo Man-Overboard Retrieval  
Handheld & Rocket Flares (2021),  
2 Fire Extinguishers (Forward & Aft).

## Covers

Bimini, Dodger, Shade Connector, Main sail cover.

## Ground Tackle

20kg Rocna, 15kg Bruce, 39kg Mantus Hurricane Anchor.

## Watermaker / De-Sal

Spectra Delux 250 Water Maker with Offshore Clark Rebuild Kit and additional filters.

## GPS

Furuno.

## Has Navigation Lights

Yes, LED

## Radio

VHF

## Number of Life Jackets

2

## Remarks

Deck/Exterior Equipment:  
Dyneema Lifelines,  
Plastimo Man-Overboard Retrieval,  
Outboard Engine Lift with Motor-Mount.
