Description

Whittley 660 Cruiser, 2005 model is now exclusively for sale with DBY Boat Sales.

This is the mid-sized cruiser that Australian families love. A fully featured weekender that is capable of extended blue water cruising, yet at the same time, can be towed by a middle-sized tow vehicle. No trailer included.

Computer designed in Whittley's dedicated design studio, this 2005 model Whittley Cruiser 660 is both refined and functional in every respect. The level of factory fitout is incredibly high.

Flowing lines through the hull and the moulded fibreglass hardtop cabin are matched throughout the stylish interior. Boaters will warm instantly to the retractable sunroof, the sleek sweeping line of the gunwale and the vast extended marlin board which supports a large stainless BBQ, dinghy and brilliant access to the water plus a concealed swim ladder and fresh water hot shower for a rinse off.

Precision handling and a silky soft ride are guaranteed through the refined hull shape. Decades of boat building expertise has resulted in a hull with a 20-degree deadrise, complimented by an arrangement of spray stakes that keep you dry and stable. The 220hp V6 sterndrive with only 490 hours is a power plant that guarantees top performance.

Inside the Cruiser 660, the leisure time on the water will be sheer bliss. The advanced helm is just as sophisticated as that of a quality European car. Included in the helm station is a full compliment of engine instrumentation plus a Lowrance 9 inch plotter/fish finder. Entertainment is a CD player with stacker, AM/FM sound system with cockpit speakers and flat screen TV.

Absolutely everything you need for the perfect weekend getaway.
